T is for time, it really slips away.

H is for the many hours and hard work that went into making this year a success.

E is for excellence, a synonym for Scott.

Y is for this yearbook, and the pictorial memories that are contained within its cover.

E is for the efforts of students, and faculty, in uplifting the name of Scott from the depths of degradation.

A is for the alumni who helped make this year a memorable one.

R stands for the new rules made this year, which the students did not like; it also stands for respect and responsibility; couple these two with pride and you have a winner.

O stands for order, without it no accomplishments could have been made.

F is for fun, may there always be plenty within the walls of Scott.

T is for the teachers at Scott, without them where would we be?

H is for the many hours spent in class, getting an education and waiting for the bell to ring.

E is for education, its value is priceless, seize it, for it is the key to the future.

B marks the beginning of the reign of "Champions", may that reign be infinite.

U is for unity, for we are "Soulfully United."

L is for the loyalty and love students have developed for Scott and for each other.

L also stands for the lasting friendships developed and strengthened throughout this past year.

D is for dedication and diligence, traits that are needed to accomplish goals.

O is for our new stadium, an example of what diligence and dedication can achieve.

G is for graduation, for seniors it is a fitting end to a success filled year. For underclassmen it is something to look forward to. For teachers it is the acknowledgement that their efforts were not in vain. Spiritually G stands for God, for without His help we would be lost, and may His blessings remain with Scott and our Scott family forever.

Alone, those letters stand for the ideas of one person. Surely they can have other meanings. Together though, they can have but one meaning. Success. This is why 1972 has been: The Year Of The Bulldog!

HOME of CHAMPIONS

Scott Loyalty

Come and join in songs of praise
to our happy high school days,
for the Scott we love always
Dearest, best of all.

Hail! Our Alma Mater true!
Loyalty in us renew!
All that heart and hands can do,
Dear Old Scott, we pledge to you.

Like the star gleams in the night,
Shine her colors maroon and white;
Keep her honor pure and bright
Till all time is done.

When through all the years to come,
Far away our steps may roam,
Memory will call us home,
To the Scott we love.

Scott won its first homecoming football game in the new Penn-Webb Stadium by defeating Macomber for the Red Division title.

Model Cities Director, Mr. Charles Penn, speaks at the stadium dedication ceremonies while Mr. Willard Webb, Jr., Mr. Frank Troy, Mrs. Ruth Sharp, and Mr. Flute Rice listen.

In January 1970 Scott students watched with tears in their eyes the demolition of Seibert Stadium, an old and long standing landmark. Though it's decayed and crumbling sections were razed, the memories of exciting victories and heart-breaking defeats remained implanted within the minds and hearts of students and faculty alike. To us when that old stadium died, so died a part of Scott. We asked and wondered if there would ever be another to take its place. Our principal, Mr. Rice, assured the faculty and the entire student body that "there would be another stadium and soon."

Under the coordination of Mrs. Ruth Sharp, students, parents, faculty and the Scott community joined forces for the purpose of attaining a new stadium complex. Inspired by the Class of 1970's motto: "We can because we think we can" the first giant step towards realization of this goal was taken. As enthusiasm spread, Scott pride reached a new zenith. A stronger student, teacher, parent and community relationship developed and together through a series of bake sales, style shows, candy sales, car washes, tag days and personal contributions raised the first $3,000.00 to kick off the stadium campaign.

The student stadium committee along with Mrs. Sharp then combed through files dating as far back as 1913 securing the names of former Scotters of whom they asked help. Those who could readily accepted.

The long line of dignitaries listens to Mr. Rice's comments.

Mr. Rice beams with pride as he presents plaques of appreciation from the school to Mr. Penn and to Mr. Webb. Also watching are councilman Harold Garner, State representative Casey Jones, Mr. Frank Troy, and Mrs. Ruth Sharp, Stadium Committee Chairman.

Mr. Willard Webb Jr. one of those many former Scotters appointed himself a one man committee. He alone secured $28,000.00 for the new stadium. This money added to the $3,000.00 collected by the Scott students made a total of $31,000.00 and put us well on our way.

Mr. Charles H. Penn director of Model Cities, Mr. Flute Rice and Mrs. Ruth Sharp cognizant of the need for a recreational complex rather than just seats then set about the task of soliciting federal funds. Mr. Penn's hard work and diligence paid off as federal funds were secured for Phase I of our recreational complex.

Just ten months after the demolition of the old Seibert Stadium, construction started on a new 4,000 seat concrete and steel grandstand at the cost of $99,000.00. What ten months earlier was a dream had started to become a reality.

Labor for the concession stand was furnished by Scott Students and the Skills Training Center with the only cost being that of materials.

Indicative of the students pride in their new stadium was the way that the students watered the new sod on the football field during the drought last summer. There was no sprinkling system available, so students watered the sod with hand hoses. They changed shifts as late as 2:00 o'clock in the early morning to make sure that the new sod did not die.

One time it rained unpredictedly, and the students declared, "God is on our side."

September 18, 1971 marked the dedication of the new stadium and all weather track. The complex was christened Penn-Webb Stadium. Named after Mr. Charles H. Penn and Mr. Willard Webb, Jr. for the diligence, hardwork and time these two dedicated individuals sacrificed that Scott might have a new stadium. [Facts and information made available by Mrs. Sharp.]

L.C.

Mr. Charles H. Penn and Mr. Willard I. Webb, Jr. received plaques expressing gratitude for their roles in making the stadium a reality. The entire Scott family was greatly saddened by Mr. Webb's death in March, 1972.

Mr. Rice, Mr. Penn, Mr. Webb, and Mrs. Sharp exhibit smiles of satisfaction in seeing the completed stadium put to use for the inaugural football game.

Champs at Scott

It has been an outstanding year for Scott High School —one its student body, faculty, and alumni can savor with enthusiasm.

Last Friday evening, Scott's flashy basketball team clinched the city championship with a 60-49 victory over Libbey High School. It was a win that Scott Coach Bunk Adams—himself a former basketball standout at Macomber and Ohio University—prizes especially as he saw his own blend of patience, encouragement, and ability to impart the technical aspects of the game pay off handsomely.

Scott's Bulldogs also marched out of the Glass Bowl last Thanksgiving Day with the city football championship hoisted proudy on their standards as they defeated Woodward in that annual classic. That triumph was particularly notable because it climaxed a season that began with four straight defeats; to have wound up city champions was a tribute not only to the courage and determination of the players but also to the coaching talents of Paul Krasula, who brought home the title in his first year as Scott coach.

Along with the new Scott stadium dedicated last fall and built from funds raised by students and alumni and augmented by a $100,000 federal grant, the twin city championships give the school honors of which it can be justly proud. Toledo annually turns out some of the finest high school athletic teams in the state, and this year Scott's champs are the best of the lot.

To Sherri; a young lady I have known for a few years and have grown to really like as a real person, at work at school and sometimes even at church you are the same. White as snow is your personality, pure as gold is your friendliness. Keep on pushing for with a brain like yours you can make it. Try a little harder. Your soul sister not only in color, but in Christ too. A friend to the End.

Bulldogs "Pups" Share Championship

The Scott High 1971-72 Freshman football team shared the league title with Bowsher by compiling a 5-1 season record. In a historic season at Scott our Freshman team's efforts were magnificent.

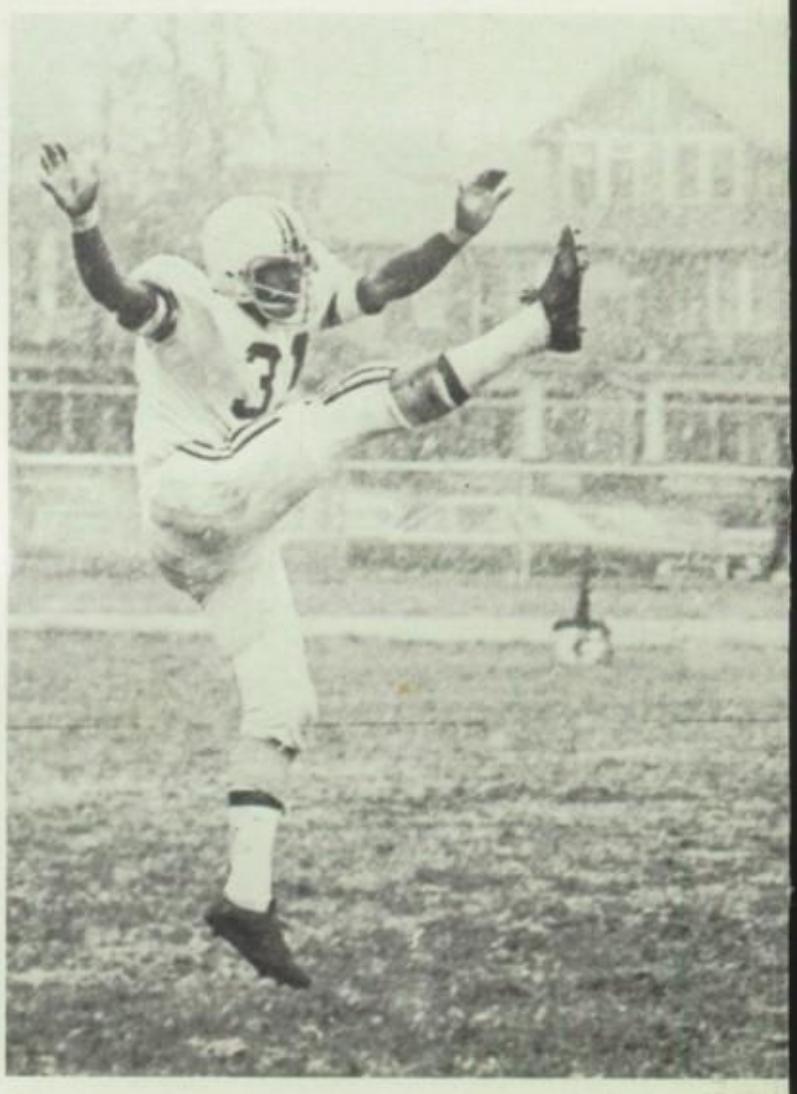
The Freshmen were coached by John Jackson, Eddie Russell, and Larry Quinn. The future of Scott in football will be decided by the contributions of our Frosh and J.V. Teams. The prospect for championship football looks bright.

Managers rejoice after a victory.

Derrick White struggles for yardage.

Half-time provides a welcome rest from battle.

Gary Higgs perfected his skill as a gridiron punter.



The break-away speed of Scott's backs dazzled spectators and opponents all season.

Any description of the football program at Scott would be incomplete without mention of the outstanding efforts of the coaching staff, and especially, head coach Paul Krasula. Coach Krasula and his assistants succeeded in combining the natural athletic ability of each player with a solid, no-nonsense approach to conditioning and training. Countless hours spent in analyzing football strategy diagrams, reviewing game films, scouting opponents, and vigorous practice sessions payed off in producing a responsive team which knew its mission thoroughly.

Coach Krasula did not allow early season reverses to discourage him or the team from their determination to win the city championship. Much credit is due Mr. Krasula for his ability to instill pride and confidence in the team members. This same spirit has carried over to the rest of the school as well. We congratulate Paul Krasula for winning the city league championship in his first year as varsity head coach. This is an honor all Scotters share in.

The Fighting Bulldogs of Scott High School, a high spirited group of young men, combined determination, guts, and the will to win, to successfully capture the 1971-1972 city league football championship. The hard earned honor was achieved by defeating the Woodward Polar Bears, on a cold overcast Thanksgiving morning by a score of 18-6. The city league title is an honor which had evaded Scott football teams since 1950.

The success of the team can be attributed to the remarkable athletic efforts of outstanding individuals and perfect execution of assignments as outlined by a fine group of coaches. Members of the coaching staff were James Jones, Tom Sorosiak, Richard Johnson, and head coach Paul Krasula.

In the beginning of the march towards victory the Bulldogs weren't too effective. Mistakes caused the Bulldogs to fall short in their early quest for victory. The season's opening game was lost to Elyria 35-7.

After rectifying some of the mistakes, the Bulldogs went on to defeat the Bowsher Rebels 21-3. However due to injuries, which resulted in a decline in morale, the Bulldogs lost their next three games at the hands of Alliance, Waite, and Rogers.

Many teams would have given up at this point. Fortunately an almost miraculous transformation came over the Bulldogs as months of practice, skillful coaching, and desire jelled to provide the necessary spark.

Scott turned on its tenacious defense to cap the Red Division title by winning over Central, DeVilbiss, Cuyahoga Falls, and Macomber. Only one of these opponents was able to score more than one touchdown against the Bulldogs. Scott then had to face the State's 10th ranked team, the Polar Bears of Woodward for the city championship.

On "Turkey Day", a frigid, frosty morning, nearly ten thousand fans huddled together in Toledo University's Glass Bowl Stadium to witness the exciting battle. Backed by a loyal legion of student supporters and alumni, the Bulldogs handed Woodward a stunning defeat. Scott severely limited the Polar Bears passing attack and allowed Woodward only one offensive play in the first quarter. Utilizing an explosive offense and a tough defense, the Bulldogs upset Woodward, 18 to 6, and thus became the reigning City Champs. A fitting climax to a hard played football season.

This year perhaps has marked the beginning of a new football dynasty at Scott High. It will be built with pride, determination, hard work, and the sweat of those individuals who are willing to do the work and make the sacrifices that are needed to become and to remain champions.

The Varsity Basketball Team ranked fourth in the State and first in Northwest Ohio, stormed the city as they went undefeated in league play and ran off with the first City Basketball Championship at Scott in 12 years. After a three point loss to Lima Senior in the season's opener, the Bulldogs racked up a string of 20 consecutive victories, and captured the City and Sectional Championships, before seeing their bid for a possible State Championship foiled in the finals of the Northwest District Championship by an inspired Libbey team. Under Northwest Ohio's "Coach of the Year", Bunk J. Adams, this year's seniors compiled a magnificent 20-2 record.

This year's team was led by All-City, All-District and Third Team All-State, Bernard Pope, with help from Second Team All-City, Ronald Moore, Third Team All-City, Keith Williams, Honorable Mention All-City Jodie Biddle and Gil McCormick along with Tyler Seldon, Larry Collins, and Gary Higgs (two invaluable subs) and Jerry Fowler, a junior who will be back next year.

Though the Bulldogs' quest for the State Championship fell four games short, we are optimistic in saying that the team, walking behind their footsteps, will perhaps surpass them and their accomplishments.

SCOTT	58	Libbey	46

The Junior Varsity Basketball Team went undefeated in capturing the J.V. championship. Under coach Ben Williams the team compiled an 18-0 record. These victories have extended the record for consecutive wins by the junior varsity over the past two years to 28 straight. The team consisted of 15 sophomores and one freshman, all of whom are similar in ability. This makes it difficult to predict or say who will become the best player now or in the years to come.

We can say that the cage future here at Scott High School looks very promising.

This year the Bull-pup cagers compiled a 12 win-no-loss record. Led by a balanced freshman effort the cage picture here at Scott has a bright and promising future.

Congratulations ror a job well done. Scott's freshman team has on it some of the greatest talent in the city. Two of its members, Leoda Thomas and Edward Porche, could have easily ran varsity. With the help of the freshmen, the J. V. team was able to win four of its seven city meets.

However, the winning of the city championship was a team effort with Scott placing five of the first ten men across the line. Next year with the help of the freshmen we will win even more meets.

Head track coach, Mr. Willie Oliver has continued the tradition of winning track teams at Scott.

John Allen and Roosevelt Hunter make tracks in the mile relay.

The Bulldogs had a very successful track season. They finished 8th in the Blade Relays, won the Sylvania Relays, finished 3rd in the Sectional, 3rd in the District, and won the City Championship. This was Scott's fifth City Track Championship in the seven year history of the Meet. The team is also undefeated in their dual meets, going 6 and 0 for the year.

Although the team did not place in the State Meet this year, they had several stand outs. Freshman Sylvester Triplett and Charles McBee placed 2nd and 3rd in the 100 yd. dash in the City Track Meet and did an outstanding job on the 880 relay. Gary Higgs threw the 2nd best shot in the area of 52'-3¼" and ran 110 yds. in the time of 10.3 in the 440 relay. Jimmy Mack broke the school record in the two-mile run with a time of 10:27. Senior Ronnie Taylor became Scott's first high school All-American in track.

The track coaches at Scott try to instill a sense of responsibility and discipline in each individual young man. Discipline, they feel is the way to success.

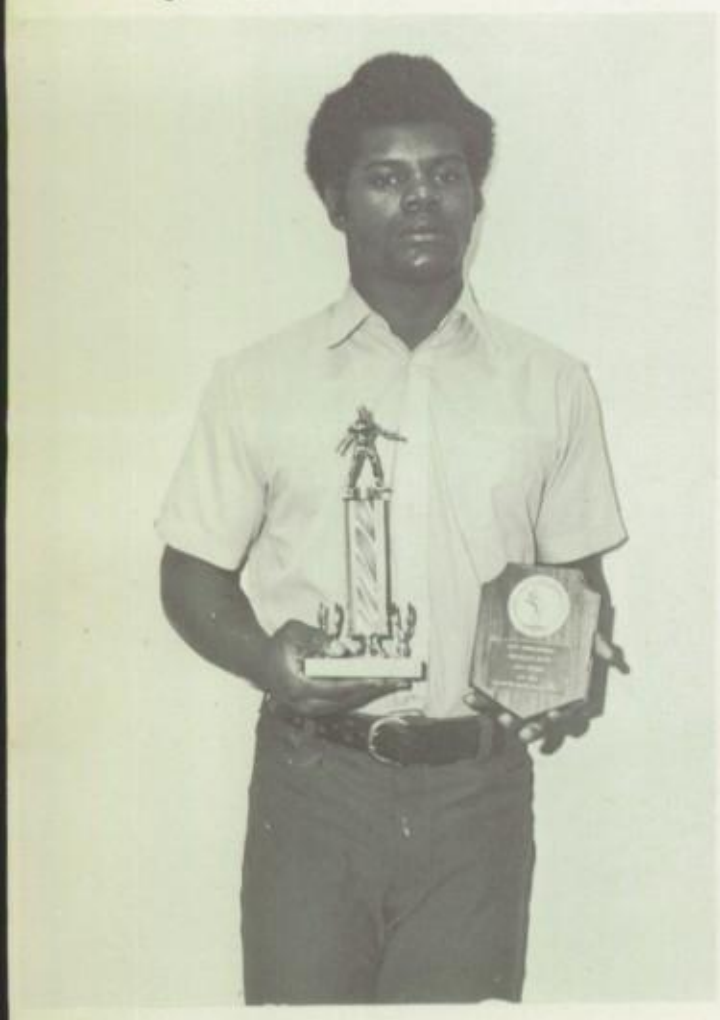
Scott Grapplers Great

Regal Haynes shows his outstanding wrestling awards.



Scott's mat success did not materialize until the AAA sectional held at Sylvania High School. Three individuals who had combined for only eight previous wins in the season worked their way into the AAA district.

Albert Easterly, 98 pounds, first year out for wrestling and made it to the district. Seniors Roger Whickum, 119 pounds, and Darrell Taylor, 126 pounds, showed great promise in three years as Scott Wrestlers. Lucean Harris, 132 pounds, as a junior made it close to the district and remains a contender next year for state champion. Steve Anderson, a second place finisher in the city at 185 pounds, also made it through the sectional. Regal Haynes won the city 175 pound wrestling title, and was a standout in the sectional and district meets. Regal was unable to capture the state crown, but did place second. A senior, Regal hopes to continue his wrestling career in college. Regal Haynes finished the season with a 26-1 record, losing only to the state champion.

DON'T SELL BUSINESS SHORT

You hear a lot of talk these days about the business world being a pretty dull, humdrum place. Some say it offers no really meaningful challenges. No opportunities for individual expression. Law, medicine or the Peace Corps perhaps. But not business.

Don't you believe it. American business today is a highly demanding institution. With plenty of room for personal contribution and growth. And if you feel strongly about man's social responsibility—business offers a unique opportunity for self-expression in this area, too.

Most likely you have further schooling ahead of you. But that day of decision on your long-term future is coming sooner than you realize. If when it arrives you've established a record of good grades and participation in extracurricular activities—think seriously about the rewards of a career in business—with us.

WORK . . . IS A MAN'S GREAT FUNCTION

He is nothing, he can do nothing, he can achieve nothing, fulfill nothing,
without W O R K I N G .
If you are poor - - - W O R K .
If you are rich continue W O R K I N G !
If you are burdened with seemingly unfair responsibilities W O R K !
If you are happy, keep right on W O R K I N G !
Idleness gives room for doubts and fears.
If disappointments come - - W O R K .
If your health is threatened - - W O R K .

Owens-Corning is Fiberglas

Fiberglas cord is making tracks.

These tough glass fibers from Owens-Corning add safety and performance to tires on most new Detroit cars. They form the fabric that protects Apollo space suits from temperature and fire.

And Fiberglas* reinforcements put strength and durability into a majority of pleasure-boat hulls built today. In fact, it's estimated there are more than 33,000 ways Fiberglas materials can profitably replace metals, wood or cloth. They're already in many of these uses right now, moving fast into others.

Your career could make tracks at Owens-Corning too. There are hundreds of opportunities. For information, write us: Owens-Corning Fiberglas Corporation, Fiberglas Tower, Toledo, Ohio 43659

Reserve for Michael

To Sherrie,

A fine young lady which I have a lot of Love for. I've seen you since Lincoln, but didn't get to know you until we were in a wedding together. I'm glad we met, because I think you have a wonderful personality, and I'd like to share mine with you. You say that I'm a flirt and I could never love one girl and be true to her. But so far I've done it. And you and I have had long discussions (you know who) you, Poverty, Prejudice, and almost anything; that's why I love to be around about Love, Hate, Pool, you're different. So stay cool, and Don't forget me. Ever!

Love
Always
Your Bro
